

WE ARE RECRUITING

Labone Castleside Limited are an injection moulding supplier to the automotive sector, due to our continued growth we have vacancies for the following positions:

Production Operators: -

Applicants are required to have an eye for detail, ability to work in a fast-paced environment, good timekeeping, attendance and good attitude and willingness to learn and effectively contribute to everyday running within the team.

You will be part of the injection mould team across a 3-shift pattern. Requests for alternative shift working will be considered and assessed on a case-by-case basis at the company's discretion.

Warehouse Operators:

Applicants are required work across a 3-shift pattern and have excellent attention to detail, also a careful and accurate approach to work. Previous experience working in a warehouse environment and the use of handheld scanners is beneficial. Recent forklift truck experience in Reach and Counterbalance is desirable, although training would be provided.

Should these positions be of interest, please forward your CV to careers@labone-castleside.co.uk, alternatively an application form is available on our website www.labonecastleside.com.

Job Descriptions are available on request.

Closing Date is Monday 9th October 2023
